## Chris Whitley, Power Down

Down, down, down All is revealed when you hit the ground Miss Amelia, where are you now? Isolation up in the clouds Could be time to power down Down, down, down No one here, nowhere's around ~Round and 'round Could be time to power down Down, down, down Emiliano, where are you now? Alien nation in a middle of town Could be time to power down Down, down, down No one here, nowhere around ~Round and 'round Could be time to power down Down, down, down

Down, down, down, down 'Cuz only one thing can power me down She got engine in her eyes She got a throttle that she cannot disguise All is revealed when you hit the ground Could be time to power down Down, down, down No one here, nowhere's around ~Round and 'round Could be time to power down Down, down, down Could be time to power down Down, down, down
