

Chris Whitley, Solid Iron Heart

Meet me on the other side of the world
Meet me on the other side of the world
You're farther away than anyone
Meet me on the other side of the world
Follow the parade of my deceit
Until a secret sends you home
Liberation follows the revolt
Now you're farther away than anyone
Somewhere the truth of the two
Well it could never come apart
Alone as I and only you
Light as our solid iron heart
Down at the mechanical ballet
Where the parted thighs belong
Now you are farther away
You're farther away than anyone
