## Chris Young, The Man I Want To Be

God, I'm down here on my knees 'Cause it's the last place left to fall Beggin' for another chance If there's any chance at all That You might still be listenin' Lovin' and forgivin' guys like me I've spent my whole life Gettin' it all wrong And I sure could use Your help 'Cause from now on I want to be a good man A do like I should man I want to be the kind of man The mirror likes to see I want to be a strong man And admit that I was wrong man God, I'm asking You to come change me Into the man I want to be If there's anyway for her and me To make another start Could You see what You could do To put some love back in her heart? 'Cause it goin' to take a miracle After all I've done to really make her see That I want to be a stay man I want to be a brave man I want to be the kind of man She sees in her dreams God, I want to be Your man And I want to be her man God, I only hope she still believes In the man I want to be Well, I know this late at night the talk is cheap But Lord, don't give up on me I want to be a givin' man I want to really start livin', man God, I'm asking You to come change me Into the man I want to be
