

# Chrisette Michele, Work It Out

[Verse 1:]

I can't say it's easy  
Feeling the way I do  
I can't say it's simple  
Being so into you (no no)  
Some may say I'm crazy  
I may say that's true

[Pre-Chorus:]

I can't think of nothing better  
Than loving you far as I can see  
We'll be alright but when life goes wrong  
Love works it out oh

[Chorus:]

Work it out love  
That's what we're gonna do  
Life without you  
That can be sad and blue  
Work it out love  
I'm gonna stay with you  
I can't think of nothing better  
Than loving you

[Verse 2:]

I walked a long road  
I won't complain  
I'll give it all up  
And you do the same  
Call it 50/50  
My love's for you

[Pre-Chorus]

[Chorus]

[Bridge:]

Grown folks told me true love  
Lasts long it will never go  
I will never leave  
Say you'll stay too

[Chorus x2]
