From the very first time I laid my eyes on you boy

My heart said follow through

But I know now that I'm way down on your line

But the waiting feels just fine

So don't treat me like a puppet on a string

Cause I know how to do my thing

Don't talk to me as if you think I'm dumb

I wanna know when you're gonna come

I don't want to wait in vain for your love

I don't want to wait in vain for your love

I don't want to wait in vain for your love

I don't want to wait in vain for your love

Summer is here, I'm still waiting there

Winter is here and I'm still waiting there, yeah, yeah

Ooh yeah, yeah

Ooh yeah, yeah

Ooh yeah, yeah

Like I said

It's been three years since I've been knocking at your door

And I still gonna knock some more

Ooh boy, ooh boy

Is it feasible?

I wanna know now

For I can knock some more

You see in life I know

There's lots of grief

But your love is my relief, yeah

Tears in my eyes burn

Tears in my eyes burn

While I'm waiting, while I'm waiting for my turn, oh

I don't want to wait in vain for your love

I don't want to wait in vain for your love

I don't want to wait in vain for your love

I don't want to wait in vain for your love

I don't want to wait in vain for your love

I don't wanna, I don't wanna, I don't wanna, I don't wanna

I don't wanna wait in vain

I don't wanna, I don't wanna, I don't wanna, I don't wanna

I don't wanna wait in vain

I don't wanna, I don't wanna, I don't wanna, I don't wanna

I don't wanna wait in vain

I don't wanna, I don't wanna, I don't wanna, I don't wanna

I don't wanna wait in vain

It's your love that I'm waiting on

It's my love that you run from

It's your love that I'm waiting on

It's my love that you run from

It's my love that I'm giving to you baby

Yeah, oh, ooh

I'm waiting in vain

Waiting in vain girl, yeah

Don't make me wait in vain yeah
