

# Christian Linke, Dying but Alive.

Sometimes I feel like I'm done  
I'm nothing, I'm nothing  
the end is near to come  
What am I to do but run?  
I'm fighting, I'm fighting  
Beneath the surface I am done  
I am dying but alive (x2)  
I am barely so alive (x2)  
I am near them but I want just quit  
keep trying, keep trying  
Succeeding is what you forbid me  
As I am lying in the dust  
I'm crumbling, I'm crumbling  
Standing up takes all my guts  
I am dying but alive (x2)  
I am barely so alive (x2)
