

# Christina Aguilera, All In My Mind

It's 3 in the morning,  
and all I can think about is you.  
It's 3 in the morning,  
and to be honest, I thought we were true.  
It's 3 in the morning,  
and baby, I don't have a clue what to do.  
It's 3 in the morning,  
and it's time we figured out who was whose.

That's all that's going through my mind,  
the tape of you, the tape of you and her,  
the tape that brought me to tears,  
the tape that ruined my life, my world.

I miss your smile and your touch,  
my love for you obviously didn't seem much,  
when I'm alone the hours go slow,  
but when I'm with you the time just goes.

That's all that's going through my mind,  
the tape of you, the tape of you and her,  
the tape that brought me to tears,  
the tape that ruined my life, my world.

I'm hurt,  
but I've learnt,  
I'm distraught,  
but I've been taught,  
on how, your love,  
is going to kill me slowly inside,  
ooohhh!

That's all that's going through my mind,  
the tape of you, the tape of you and her,  
the tape that brought me to tears,  
the tape that ruined my life, my world (x3)
