Come On Over (All I Want Is You) (Remix)

Come On over, come on over baby

Come On over, come on over baby

Come On over, come on over baby

Come On over, come on over baby

Hey boy, don't you know

I got something going on

I got an invitation

Don't you keep me waiting all night long

I know, you know

So baby don't

Pretend you won't

Keep me guessing with ya

You will, or you won't

Don't wanna play the game with you, baby

So listen to me....

All I want is you

Come over here baby

All I want is you

You know you make me go crazy

All I want is you

Now baby don't be shy

You better cross the line

I'm gonna love you right

All I want is you...

Come on over, come on over baby

Come On over, come on over baby

I'm not just talking

About your sexuality (your sexaulity)

But I can't help myself

When you put your hands on me (when your but your hands on me)

It's paradise

When you and I

Ge close, get tight

When I wanna I wanna

Go on all night

I wanna play that game with ya baby

Listen to me...

All I want is you

Come over here baby

All I want is you

You know you make me go crazy

All I want is you

Now baby don't be shy

You better cross the line

I'm gonna love you right

All I want is you...

Come on over, come on over baby

Come on over, come on over baby

(rap)

Don't ya wanna be the one tonight?

We can do exactly what you like

Don't ya wanna be just you and me?

We can do what comes naturally
I got a thing for you
Got my mind made up
And I'm serious
Never been more baby
Don't show it but it's real (so sure)
And it's right here

Come on, Come on, Come on, over [x4]
Come On over, come on over baby
Come On over, come on over baby
Come On over, come on over baby

You give me
What a girl feels
What a girl likes
What a girl needs
What a girl wants

All I
All I want is you

All I want is you
Come over here baby
All I want is you
You know you make me go crazy
All I want is you
Now baby don't be shy
You better cross the line
I'm gonna love you right
All I want is you...

All I want is you
Come over here baby
All I want is you
You know you make me go crazy
All I want is you
Now baby don't be shy
You better cross the line
I'm gonna love you right
All I want is you...
