

Christina Aguilera, Don't Make Me Love You (till I'm Ready)

Don't make me love you till I'm ready
Don't make me give you more than my kisses
I need you to go slow and steady
Don't make me love you till I'm ready
Why you wanna rush into my life?
Don't you wanna stop and get to know me better?
We got all the time in the world tonight
If we're meant to be, we'll be together
Stay around, just slow it down
Till we find out if we got what it takes
Don't make me love you till I'm ready
Don't make me give you more than my kisses
I need you to go slow and steady
Don't make me love you till I'm ready
Everything I know about you so far
Makes me believe that you're the one for me
But, there's still a lot that's on my mind
And I need time before we go further, don't you see?
So hold me, fold me, but don't be
Thinkin' that I don't want you too
Don't make me love you till I'm ready
Don't make me give you more than my kisses
I need you to go slow and steady till I'm ready
Don't make me love you till I'm ready
It's better with a little bit of mystery
Let's wait till we have a bit of history, behind ourselves
I never got to be in such a rush
We can live for the moment if we trust
We'll be right here, tomorrow
Don't make me love you
Don't make me give you
I need you to go
Don't make me love you
Don't make me love you till I'm ready
Don't make me give you more than my kisses
I need you to go slow and steady
Don't make me love you till I'm ready
Don't make me love you till I'm ready
Don't make me give you more than my kisses
But I need you to go slow and steady
Don't make me love you till I'm ready
Don't make me love you till I'm ready
Don't make me give you more than my kisses
I need you to go slow and steady
Don't make me love you till I'm ready
