

Christina Aguilera, Fighter (Hellraiser Remix)

Well I thought I knew you
Thinking that you were true
Guess I, I couldn't trust
'Cause your bluff time is up
'Cause I've had enough
You were there by my side
Always down for the ride
But your, your joy ride just came down in flames
'Cause your greed sold me out in shame, mm-hmm

After all of the stealing and cheating
You probably think that I
Hold resentment for you
But uh-uh, oh no, you're wrong
'Cause if it wasn't for all that you tried to do
I wouldn't know just how capable
I am to pull through
So I wanna say thank you 'cause it

[Chorus]
Makes me that much stronger
Makes me work a little bit harder
Makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter

Made me learn a little bit faster
Made me learn a little bit faster
Made me learn a little bit, made me learn a little bit
Made me learn a little bit faster
Made me learn a little bit faster
Made me learn a little bit faster
Made me learn a little bit, made me learn a little bit

(My body's sayin' "Let's go")

Never saw it coming
All of your backstabbing
Just so you could cash in
On a good thing before I realized your game
I heard you're going 'round
Playin' the victim now
But don't even begin
Feelin' I'm the one to blame
'Cause you dug your own grave (Uh)

After all of the fights and the lies
Yes your wanting to harm me
But that won't work anymore
Uh, no more, uh-uh, it's over
'Cause if it wasn't for all of your torture
I wouldn't know how to be this way now
And never back down
So I wanna say thank you 'cause it

[Repeat Chorus]

Made me learn a little bit faster
Made me learn a little bit faster
Made me learn a little bit, made me learn a little bit
Made me learn a little bit faster

Made me learn a little bit faster
Made me learn a little bit faster
Made me learn a little bit, made me learn a little bit

How could this man I thought I know
Turn out to be unjust, so cruel
Could only see the good in you
Pretended not to see the truth
You tried to hide your lies, disguise yourself
Through living in denial
But in the end you'll see
YOU WON'T STOP ME!

I am a fighter and I (fighter and I)
I ain't gon' stop (I ain't gon' stop)
There is no turning back
I'VE HAD ENOUGH!

[Repeat Chorus x3]

Made me learn a little bit faster
Made me learn a little bit faster
Made me learn a little bit, made me learn a little bit
Made me learn a little bit faster
Made me learn a little bit faster
Made me learn a little bit faster
Made me learn a little bit, made me learn a little bit

Fighter!
