

Christina Aguilera, Genie 2.0

I feel like I've been locked up tight
a century of lonely nights
Waitin', Waitin' for someone
You're licking your lips
And blowin' kisses my way
That don't mean I'm gonna give it away
Baby.. oh baby..

If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way

The music's playin'
and the lights down low
one more dance
And then were good to go
Waitin'.. waitin' for someone

My Hormones racin' at the speed of light
But that don't mean it's gotta be tonight
Baby.. ooh baby..

If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way

If you wanna be with me
I can make your wish come true
You gotta make a big impression
Gotta like what you do (3x)

I'm a genie in a bottle, baby.. (2x)

Come on, come on and let me out (4x)

If you wanna be with me
Baby there's a price to pay
I'm a genie in a bottle
You gotta rub me the right way

If you wanna be with me
I can make your wish come true
You gotta make a big impression
Gotta like what you do

I'm a genie in a bottle, baby.. (2x)

Come on, come on and let me out (my heart is sayin') (6x)
