

# Christina Aguilera, Genie 2.0

I feel like I've been locked up tight  
a century of lonely nights  
Waitin', Waitin' for someone  
You're licking your lips  
And blowin' kisses my way  
That don't mean I'm gonna give it away  
Baby.. oh baby..

If you wanna be with me  
Baby there's a price to pay  
I'm a genie in a bottle  
You gotta rub me the right way

The music's playin'  
and the lights down low  
one more dance  
And then were good to go  
Waitin'.. waitin' for someone

My Hormones racin' at the speed of light  
But that don't mean it's gotta be tonight  
Baby.. ooh baby..

If you wanna be with me  
Baby there's a price to pay  
I'm a genie in a bottle  
You gotta rub me the right way

If you wanna be with me  
I can make your wish come true  
You gotta make a big impression  
Gotta like what you do (3x)

I'm a genie in a bottle, baby.. (2x)

Come on, come on and let me out (4x)

If you wanna be with me  
Baby there's a price to pay  
I'm a genie in a bottle  
You gotta rub me the right way

If you wanna be with me  
I can make your wish come true  
You gotta make a big impression  
Gotta like what you do

I'm a genie in a bottle, baby.. (2x)

Come on, come on and let me out (my heart is sayin') (6x)
