

Christina Aguilera, Get mine, get yours

Baby you pretend that things ain't what they seem
All this tension on titlin just exactly what we should be
now I dont mind us bein some kinda casual thing
Listen all I want to do for now is have you come and take all of me.
Can you
Put your hands on my waistline
Want your skin up against mine
Move my hips to the baseline
Let me get mine you get yours.
Hang a please dont disturb sign
Put my back into a slow grind
sending chills up and down my spine
Let me get mine you get yours
If you see me with a man understand that you can't question me
The feelings that you caught, aint my fault can't help your jealousy
If you can handle the fact that what we have has get to be commitment free
Then we can keep this undercover lovin' comin' hidden underneath the sheets
Can you
Put your hands on my waistline
Want your skin up against mine
Move my hips to the baseline
Let me get mine you get yours
(But don't fall in love)
Hang a please dont disturb sign
Put my back into a slow grind
sending chills up and down my spine
Let me get mine you get yours
So come on and freak my body we can get nasty, naughty
All night a private party
Gotta hit that spot just right
Work me like a 9 to 5
It ain't about the kissin`and huggin`cause this is a physical lovin`
Straight sweatin`, our bodies are rubbin`
Gotta hit that spot just right work me like a 9 to 5
We have a physical thing
We make love, but don't fall in love
(let me get mine you get yours)
We spend time
Just enough so you get yours and I get mine
No strings attached
I want your body,
Not your heart
Put your hands on my waistline
Want your skin up against mine
Move my hips to the baseline
Let me get mine you get yours.
Hang a please dont disturb sign
Put my back into a slow grind
sending chills up and down my spine
Let me get mine you get yours
Put your hands on my waistline
Want your skin up against mine
Move my hips to the baseline
Let me get mine you get yours.
(just don't fall inlove)
Hang a please dont disturb sign
Put my back into a slow grind
sending chills up and down my spine
Let me get mine you get yours
Come here
Don't be shy
I won't bite
Let me get mine, you get yours
