

Christina Aguilera, Hollywood

Shine your light now
This time it's gotta be good
You get it right now (yeah)
'Cause you're in Hollywood
There's something in the air in Hollywood
The sun is shining like you knew it would
You're ridin' in your car in Hollywood
You got the top down and it feels so good
I lost my memory in Hollywood
I've had a million visions, bad and good
There's something in the air in Hollywood
I tried to leave it but I never could
There's something in the air in Hollywood
I've lost my reputation, bad and good
You're ridin' in your car in Hollywood
You got the top down and it feels so good
Music stations always play the same songs
I'm bored with the concept of right and wrong
Everybody comes to Hollywood
They wanna make it in the neighborhood
They like the smell of it in Hollywood
How could it hurt you when it looks so good
'Cause you're in Hollywood
'Cause you're in Hollywood
In Hollywood
Check it out, this bird has flown
'Cause you're in Hollywood
'Cause you're in Hollywood
In Hollywood
