

# Christina Aguilera, Im Leavin Today

I'm leavin today.  
Living it, leaving it to change.

Slowly drifting into a peaceful breeze.  
Tounge tied and twisted are all my memories.  
Celebrating a fantasy come true.  
Packing all my bags.  
Finally on the move.

I'm leavin today.  
I'm living it, I'm leaving it to change.

As I'm driving, I'm captured by the view.  
So much beauty, the road becomes my muse.  
The heat is rising, and my hand surfs through the wind.  
Cool, calm, collective is the child that lies within.

I'm leavin today.  
I'm living it, oh I'm leaving it to change.  
See I'm leavin today.  
Oh yes, I'm living it, I'm leaving it to change.  
But somehow I'll miss it.  
I think I'll really miss it one day!

I turn up the radio!!  
And I'm feeling like I've never felt before.  
Turn down the memories of yesteryears and broken dreams.  
I'm free, finally free.

Slowly drifting into a peaceful breeze...

I'm leavin today.  
Oh yes, I'm living it,  
leaving it to change.  
Oh no, see I'm leavin today.  
I'm living it.  
Leaving to change.  
I'm leavin today.  
Living it, leaving it to change.  
Living it, leaving to change.  
Living it, leaving it.  
Said I'm living it, I'm leaving it.  
Living it, leaving it to change.  
I'm leaving it to change.  
But somehow I'll miss it, I think I'll really miss it one day.
