

# Christina Aguilera, Intro(back to basics)

A very pleasant good evening ladies and gentlemen  
It is now time for the one and only  
There never will be another  
Christina Aguilera  
That`s how music should sound  
I`ve waited for some time  
To get inside the minds  
Of every legend I`ve ever wanted to stand beside  
It`s like an endless ride  
Feeling the lows and highs  
Of every lyric and melody every single rhyme  
So here I stand today  
In tribute I do pay  
To those before me who laid it down and paved the way  
And so to god I pray  
That he will give me strenght  
To carry forward the gift of song in his good faith  
In his good faith  
I`m going back to basics  
To where it all began  
I`m ready now to face it  
I wanna understand  
What made the soul singers  
And the blues figures, yeah  
That inspired a higher generation  
The jazz makers  
And the ground breakers  
They gave so much of themselves in dedication  
So here I stand today  
In tribute I do pay  
To those before me who laid it down and paved the way
