reflection 2

look at me

you may think you see who i really am but youll never know me

everyday its as if i play a part

now i see if i wear a mask i can fool the world

but i can not fool my heart

who is that girl i see

starin straight back at me

when will my reflection show

who i am inside

i am now in a world were i have to hide my heart

and what i believe in

but somehow i will show the world whats in my heart

and be loved for who i am

who is that girl i see

starin straight back at me

why is my reflection some one i

dont know

must i pretend that im

someone else for all time

when will my reflection show

who i am inside

theres a heart that must be free to fly

not burnt with the need to know the reason why

why must we all conceal what we think how we feel

can there be a secret me

im forced to hide

i wont pretend that im

someone else for all time

when will my reflection show

who i am inside

when will my reflection show

who i am inside

ooohhh yeahhh....
