

# Christina Aguilera, This Year

Oh, ooh, oh, uh  
Ooh, oh yea-yeah, oh, ooh, ah

You'll be my New Year's Day, my Valentine  
Now I ain't gonna stop until I make you mine  
You'll be my April Fool, my Mardi Gras  
The music on my tongue when I sing fa la la

You'll be my flower child, in the month of May  
My sunny summer lover on my holiday  
You'll be my autumn leaves, my Halloween  
The winter snow and everything that's in between  
This year I'm gonna take you home  
This year I don't wanna be alone

This year, this Christmas together  
And the minutes they pass, and the hours they fly  
This year, this Christmas forever  
And the weeks and the months go rushing by  
This year we've learned how to live  
How to forget, and how to forgive without fear, oh  
Just love this Christmas, this year

Oh, you'll be my spring ahead, my fall behind  
The shimmy on my hips oh when I, bump and grind  
You'll be my Santa Boy, all dressed in red  
And ride that little reindeer all through my head  
Oh, ooh, here we go, oh yeah  
This year I'm gonna take you home  
This year I don't wanna be alone

This year, this Christmas together  
And the minutes they pass, and the hours they fly  
This year, this Christmas forever  
And the weeks and the months go rushing by  
This year we've learned how to live  
How to forget, and how to forgive without fear, oh  
Just love this Christmas, this year

This year I'll pray for you, uh  
And I thank God for you  
Just wanna be with you  
This year that's all I wanna do

Day by day, I'm gonna get my way  
This year I'll pray for you  
The seasons turn, I've got a lot to learn  
And I thank God for you  
Now this year I'm gonna, gonna, gonna take you home  
Cause I don't wanna be alone

This year, this Christmas together  
And the minutes they pass, and the hours they fly  
This year, this Christmas forever  
And the weeks and the months go rushing by  
Now this year we have learned how to live  
How to forget, and how to forgive without fear, oh  
Just love ooh oh  
This year we have learned how to live  
How to forget, and how to forgive without fear, oh  
Just love this Christmas, this year
