

# Christina Aguilera, What A Girl Wants (Video Version)

What a girl wants  
What a girl needs  
What a girl wants  
What a girl needs  
Yeah come on  
I wanna thank you for giving me time to breathe  
Like a rock you waited so patiently while I got it together  
While I figure it out yeah yeah  
I only looked but I never touched  
Cuz in my heart was a picture of us holdin hands  
Makin plans  
And it's lucky for me you understand  
What a girl wants  
What a girl needs  
Whatever makes me happy and sets you free  
And I'm thankin you for knowin exactly  
What a girl wants  
What a girl needs  
Whatever keeps me in your arms  
And I'm thankin you for givin it to me  
What I want is what ya got  
And what I got is what ya want  
There was a time I was blind  
I was so confused yeah yeah  
Ran away just to hide it all from you  
But baby you knew me better than I knew myself  
They say if you love somethin let it go  
If it comes back it's yours and that's how you know  
It's for keeps yeah  
It's for sure  
And you're ready and willing to give me more than  
What a girl wants  
What a girl needs  
Whatever makes me happy and sets you free  
And I'm thankin you for knowin exactly  
What a girl wants  
What a girl needs  
Whatever keeps me in your arms  
And I'm thankin you for givin it to me yeah  
What a girl wants  
What a girl needs  
Somebody baby who is crazy sexy cool like you yeah  
What a girl wants  
What a needs  
Somebody who can love me for my body like you do  
What a girl wants  
What a girl needs  
You let a girl know how much you care about her  
I swear you're the one who always knew  
You knew you knew you knew you knew  
Ooh whoa I'm thakin you for bein there for me  
What a girl wants  
What a girl needs  
Whatever keeps me in your arms  
Whatever keeps me in your arms is what I need  
What a girl wants  
What a girl needs  
Whatever makes me happy and sets you free  
And I'm thankin you for knowin exactly  
What a girl wants

Whatever keeps me in your arms  
And I'm thankin you for givin it to me
