

Christina Aguilera, Fighter

After all you put me through
You think I'd despise you
But in the end I wanna thank you
'Cause you made me that much stronger
Well I, thought I knew you
Thinking, that you were true
I guess I, I couldn't trust
'Cause your bluff time is up 'cause I've had enough
You were, there by my side
Always, down for the ride
But your, joy ride just came down in flames
'Cause your greed sold me out of shame
After all of the stealing and cheating
You probably think that I hold resentment for you
But, uh uh, oh no, you're wrong
'Cause if it wasn't for all that you tried to do
I wouldn't know just how capable, I am to pull through
So I wanna say thank you
'Cause it makes me that much stronger
Makes me work a little bit harder
It makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter
Never, saw it coming
All of, your backstabbing
Just so, you could cash in
On a good thing before I realized your game
I heard, you're going around
Playing, the victim now
But don't, even begin feeling I'm the one to blame
'Cause you dug your own grave
After all of the fights and the lies
Yes, you wanted to harm me but that won't work anymore
No more, oh no, it's over
'Cause if it wasn't for all of your torture
I wouldn't know how to be this way now, and never back down
So I wanna say thank you
'Cause it makes me that much stronger
Makes me work a little bit harder
Makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
It makes me that much smarter
So thanks for making me a fighter
How could this man I thought I know
Turn out to be unjust so cruel
Could only see the good in you
Pretended not to see the truth
You tried to hide your lies
Disguise yourself through living in denial
But in the end you'll see
You won' stop me
I am a fighter
I ain't gonna stop
There's no turning back
I've had enough
'Cause it makes me that much stronger
Makes me work a little bit harder
Makes me that much wiser
So thanks for making me a fighter

Made me learn a little bit faster
Made my skin a little thicker
Makes me that much smarter
So thanks for makin' me a fighter
You thought I would forget
But I, I remember, I remember, I remember
You thought I would forget
But I remember, I remember, I remember
'Cause it makes me that much stronger
Makes me work a little bit harder
Makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little thicker
Makes me that much smarter
So thanks for makin' me a fighter
