Christina Grimmie, A Year Without Rain

Can you feel me When I think about you? With every breath I take, Every minute No matter what I do My world is an empty place

Like I've been wanderin' the desert for a thousand days Don't know if it's a mirage, but I always see your face baby

I'm missing you so much - can't help it I'm in love A day without you is like a year without rain I need you by my side, don't know how I'll survive A day without you is like a year without rain

The stars are burning
I hear your voice in my mind
Can't you hear me callin'
My heart is yearning like the
Ocean that's running dry
Catch me I'm falling

It's like the ground is crumbling underneath my feet (won't you save me?) There's gonna be a monsoon when you get back to me oh,baby

I'm missing you so much - can't help it I'm in love A day without you is like a year without rain I need you by my side, don't know how I'll survive A day without you is like a year without rain

So let this drought come to an end And make this desert flower again I'm so glad you found me, stick around me Baby baby baby, ooh It's a world of wonder with you in my life So hurry baby don't waste no more time I need you here, I can't explain But a day without you Is like a year without rain

I'm missing you so much - can't help it I'm in love A day without you is like a year without rain I need you by my side, don't know how I'll survive A day without you is like a year without rain
