Life Is What You Make It At least that's what they say Well I think im gon make it Fulfill my dreams one day I feel this fire growing deep inside of me Im so inspired knowing that its my destiny

I breathe like a champion I dream im a champion I see im a champion It's meant to be My wills getting stronger I cant wait any longer Im singing a song that's inside of me 'cause im a believer I know that I can make it No matter what they say So im a believer The Future is Now It starts today

I keep my head up

Everyday im waiting Trying to find the patience So close I can taste it..But sometimes it's so hard But im gonna keep on pushing And Im gonna keep on fighting And im gonna keep on trying because I've come too far

I breathe like a champion I dream im a champion I see im a champion Its meant to be My wills getting stronger I cant wait any longer I'm singing a song that's inside of me 'cause im a believer I know that I can make it No matter what they say So im a believer The Future is Now It starts today

The Future is now .. It Starts Today
