[Christina: (Spoken)]

Its about time

Its about time you get to know me

Everything in my life has been about timing

My business life

Personal life

I wouldve given in to what everybody else wanted

For certain things happened when they werent supposed to

I feel I wouldnt be in the position I am today

I feel blessed

[Christina: (Singing)]

Its my time to live, my time to see

Its time that you get to know me

Its my time

Its about time

Its my time to live, my time to see

Its time that you get to know me

Its my time

Oh ooh

Ahhh. . .
