

# Christina Milian, Just A Little Bit

[Chorus:]

Breathe just a little bit harder,  
Make love a little bit sweeter,  
Heartbeat a little bit faster,  
Im up for this,  
I could get used to this boy,

[Verse 1:]

I dont really feel like going home,  
Im trapped in this,  
Im wrapped in this,  
Im likin this,  
You make me just,  
Wanna scream ya name,  
(Boy),  
I dont know but it feels so right,  
(Boy),  
How about you and me spend the night,  
(Boy),  
Everything you do it feels like the first time we made love,  
The night when we kissed,  
Everything boy it makes me just,

[Chorus:]

Breathe just a little bit harder,  
Make love a little bit sweeter,  
Heartbeat a little bit faster,  
Im up for this,  
I could get used to this boy,

[Verse 2:]

Tell me what its gonna be cuz,  
Im wantin this (uh),  
Im lovin this (uh),  
Inside of this (uh),  
I cant resist,  
Wanna scream your name,  
(Boy),  
Im so sure that its gon feel so right,  
(Boy),  
Lets just see where it leads tonight,  
(Boy),  
Everything you do it feels like the first time we...  
Everything boy it makes me just,

[Chorus:]

Breathe just a little bit harder,  
Make love a little bit sweeter,  
Heartbeat a little bit faster,  
Im up for this,  
I could get used to this boy,

[Bridge:]

Feels like I reached the sky,  
When you touche me I cant believe this life,  
Im so lucky how I found that someone who gets me so high,  
Boy you know what you doin, what you do to me it makes me just,

[Chorus:]

Breathe just a little bit harder,  
Make love a little bit sweeter,  
Heartbeat a little bit faster,  
Im up for this,  
I could get used to this boy...
