

Christina Milian, L.O.V.E

Joe B Christina

We're gonna take ya to the 80's

I'ma hold you down though

Look, you tired of the same old

Chit-chat, lame sto's

Mami's frame loc' make dudes chain smoke

We can do thangs slow as if you ain't know

All real them other dudes ain't Joe

They'll put you in canaries temporarily

But you know they can't compare to me

Can't come close pop cham', one toast

'Til I'm on my knees with ya hand up froze

Now why you acting like you can't come close, ma?

Things about to change

I won't just give my heart away

'Coz when I do it's gonna be forever

You're blowin' my mind

So this might be the last time

I fall in L O V E forever

I don't need love

If love is gonna hurt me

No need for trust

If trust just keeps me cryin'

I think you can see

You can see that I love playin'

I'm not the way I used to be

Understand just what I'm saying

Things about to change

I won't just give my heart away

'Coz when I do it's gonna be forever

You're blowin' my mind

So this might be the last time

I fall in L O V E forever

I've come a long way

You can say I've learned some lessons

To never wear my heart up on my sleeve

And always keep 'em guessin'

But it's hard not be naive

'Coz you're saying all the right things

And I won't fall for words

So this time you gotta show me

Things about to change

I won't just give my heart away

'Coz when I do it's gonna be forever

You're blowin' my mind

So this might be the last time

I fall in L O V E forever

Things about to change

I won't just give my heart away

'Coz when I do it's gonna be forever

You're blowin' my mind

So this might be the last time

I fall in L O V E forever

Understand that I

I don't know what to do

It's happening again

I get that old feelin' again

But before I give in

Understand me, now we both grown both done with the practice round

Watch me prove to be different from your average clown

It's safe, go ahead baby put the baggage down

I ain't tryin' to bend you over, just tryin' to win you over

Take out, chin-chin' on the sofa

Relax a little maybe then get closer

Feel like I feel, relate to Joe beasy
You make being in L O V E so easy
Pushin' me up some like fargo easy
Ma, don't believe me trust and come see about it
We one the same page babygirl, we about it
Enough with the talk game boo, let me be about it
Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
You're blowin' my mind
So this might be the last time
I fall in L O V E forever
Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
You're blowin' my mind
So this might be the last time
I fall in L O V E forever
You're blowin' my mind so this might be
L O V E forever
You're blowin' my mind so this might be
L O V E forever
