Hook: Christina Milian

Spending time with you (yeah, yeah, yeah)
Makes me feel real good (uh, uh, uh)
All my days with you
Makes me say ooh, ooh, ooh, ooohh (yeah, yeah, yeah)

Verse1: Christina Milian

Now darlin' when I look at you
It always makes me feel real good
And I know I kinda fell for you
Like I never thought I would (never thought I would)
And baby when I think of you
It always brightens up my smile (my smile)
So won't you come on over boy and just stay with me for a while
I'd love a night

Hook: Christina Milian

Spending time with you (yeah, yeah, yeah)
Makes me feel real good (uh, uh, uh)
All my days with you
Makes me say ooh, ooh, ooh, ooohh (yeah, yeah, yeah)

Verse2: Christina Milian

Now baby when I'm feelin' down it's always you that make's me right
It seems like you're the only one that satisfy my appetite
And even when it's pourin' rain I can't wait to see your face (see your face)
Because you bring my sunshine back and you just can't be replaced
I'd love a night

Hook: Christina Milian

Spending time with you (yeah, yeah, yeah)
Makes me feel real good (uh, uh, uh)
All my days with you
Makes me say ooh, ooh, ooh, ooohh (yeah, yeah, yeah)

Rap: Charli Chuck' Balitmoe

Uh huh
Now listen
If I spend my days with you
Huh, is it timin' for me
Or are you genius
Cuz I spend my nights with you
Only if you my man
And not a one night stand
I got plans for lovin' you
I'll follow ya lead
Cuz you all I need

So easy
With that thug in you
Take it slow we gon' pace the flow
I know ya thinkin' devilish (uh huh)
Cuz that girl ro' 187ish (Murda)
My life style
Not my wife style
Boy, I only hold mikes on the TV (right)
Hold hands when you need me
Believe me
See be
Always on guard
But timin' makes me love her
G-yeah
So put ya ex's
In check
They exit
I'm next
Accept it
My times
And minds imperfected
Chuck

Bridge: Christina Milian

Everyday and every night
I can't wait to have you by my side
Have you by my side
Have you by my side
Have you by my side
Everyday and every night
I can't wait to have you by my side
Have you by my side
Have you by my side
