

Christina Milian, You Snooze You Lose

You snooze you're gonna lose and she won't want you back again
The way you keep on playin' is impossible to win
Soon you're gonna see you'll head to at the end
You're goin' to hit and miss
You snooze you lose baby

[Verse 1]

Hey boy you haven't been payin' attention to my friend,
I know you think you're the man the way you do your thang .
And I bet you're havin' fun when your hangin' with your boys.
Well your relationship with your girl is comin' to an end .
You keep thinkin' that she won't leave
but again & again you go on and on and the next thing you know she'll be gone .

[Chorus:]

You snooze you're gonna lose and she won't want you back again
The way you keep on playin' is impossible to win
Soon you're gonna see you'll head to at the end
You're goin' to hit and miss
You snooze you lose baby

[Verse 2:]

Now you prolly don't believe me I'm tellin' you is true
"cause she told me she had a problem her problem was you
So you walkin' on thin ice and I'm breakin' you the news
You betta be on your toes cause soon she's gonna go .
You keep thinkin' that she won't leave
but again & again you go on and on and the next thing you know she'll be gone .

[Chorus:]

You snooze you're gonna lose and she won't want you back again
The way you keep on playin' is impossible to win
Soon you're gonna see you'll head to at the end
You're goin' to hit and miss
You snooze you lose baby

[REPEAT CHORUS 2X]

You keep thinkin' that she won't leave
but again & again you go on and on and the next thing you know she'll be gone

[REPEAT CHORUS 3X]
