

Christina Milian & Young Jeezy, Say I

This is, this is, this is, hot
I like this
You are now witnessing
The flyest shit in the world
I can't think of nothing else to say
Christina Milian
Cool and Dre, c'mon
I got the urge to scream out
Pull out the bird, lets me out
And I don't know about you
But I'ma get it popping like I'm supposed to do
Don't hold your breath girls breathe out
Sweat out your perm, pull your weave out
And tell the world it's time
That we gonna be here, we gonna scream out loud
Say
I'ma make it happen
I'ma make a way
If you got something to prove
And you feel the same way
Say I, I
I'ma keep it gangster
I'ma make it hot
If you feeling like I do
Then people throw your hands up and
Say I, I, I
You want to dance then get down
You tryna chill then sit down
Do what you wanna do
Don't let nobody tell you what you're supposed to do
You want to go, now you grinding
Tryna to the bedroom, tryna do no timing
I know you feel this rough
(Hey)
And if you wit me people, let me see your hands up
And sing
I'ma make it happen
I'ma make a way
(Yeah)
If you got something to prove
If you feel the same way
Say I, I
(Ya'll heard the lady)
(Say I if you feel it, yeah)
I'ma keep it gangster
I'ma make it hot
(You already know who it is)
If you feel like I do
Then people throw your hands up and
Say I, I
(Snowman)
(Mr. 17-5)

My nephew getting older and he's starting to talk
Now my mom's got sick and she can't walk
No high school diploma, but I know math
Ain't write one song, and she still want half
Dead beat dad that's what the media say
Best father in the world is what my son'll say
Won't stop
