## Christina Perri, Distance (feat. Jason Mraz)

The sun is filling up the room And I can hear you dreaming Do you feel the way I do, right now?

I wish we would just give up ?Cause the best part is falling Call it anything but love

And I will make sure to keep my distance Say ?I love you? when you?re not listening And how long can we keep this up, up, up?

Please don?t stand so close to me, I?m having trouble breathing I?m afraid of what you?ll see right now

I?d give you everything I am All my broken heart beats Until I know you?ll understand

And I will make sure to keep my distance Say ?I love you? when you?re not listening And how long can we keep this up, up, up?

And I keep waiting for you to take me You keep waiting to save what we have

So I?II make sure to keep my distance Say ?I love you? when you?re not listening And how long can we keep this up, up, up?

Make sure to keep my distance Say ?I love you? when you?re not listening How long till we call this love, love, love?
