

# Christina Vidal, Feel Good

(Chorus)

Ew boy, You give me true love and true joy  
You never treat me like a new toy  
I can never get enough of your love, oh  
Cause you make me feel good  
(Ah, ah, ah, ah, ah, ah)  
Feel good  
(Ah, ah, ah, ah, ah, ah)  
Feel good  
(Ah, ah, ah, ah, ah, ah)  
Feel good baby  
(Ah, ah, ah, ah, ah, ah)

(Extra)

Cause you make me feel good  
(Ah, ah, ah, ah, ah, ah)  
Feel good  
(Ah, ah, ah, ah, ah, ah)  
Feel good  
(Ah, ah, ah, ah, ah, ah)  
Feel good baby

(Verse 1)

(Baby all I need) is to be in your arms  
Cause baby when I'm there, no one can do me harm  
Hold me real tight and keep me warm  
Cause right here is where I belong  
(Baby all I need) is to have my way  
Of loving you more every single day  
I'm hooked on you like the letter "J";  
Cause every time you go, I wish you'd stay  
(Baby all you need) is some TLC  
And it don't get no better than me  
I never knew before, but now I see  
How love's suppose to be baby, yeah

(Chorus)

(Verse 2)

(Wherever you are) Wherever you're at  
You make me feel good, you make me skat  
(Shew-da-do-da-woo-woo-shew-da-ba-way)  
Don't take your love away  
(Wherever you are) You know I'll do  
Almost anything you ask me to  
Your sweet love is oh so true  
And everything I do, I do for you  
(Wherever you are) Just say the word  
I don't care if it sounds absurd  
I'll do it anyway, and that's my word  
Oh you'll never have to worry baby

(Chorus) You make me feel so good, yeah  
Boy you make me feel, oh so real  
It feels good baby

(Bridge)

(Ew baby, baby you) Make love feel so good to me  
(Ew baby, baby you) Make love feel so good to me, yeah

(Chorus2x)
