

# Christopher Blue, After All I've Heard You Say

I should know you  
I don't know you  
I don't know you at all  
Why should I have to choose at all?  
After all I've heard you say  
After all I've heard you do  
What am I supposed to think?  
What am I supposed to do?  
Should I believe what you say?  
Should I believe what you do?  
Right now I don't want to hear your words  
I just want to know the truth  
It will never be quite clear  
Just where you are coming from  
All that I can hope to know  
Is when you leave me standing here alone  
After all I've heard you say  
After all I've heard you do  
What am I supposed to think?  
What am I supposed to do?  
Should I believe what you say?  
Should I believe what you do?  
Right now I don't want to hear your words  
I just want to know the truth  
(Repeat chorus 3x)
