

Christopher Cross, Never Be The Same

Christopher Cross

Miscellaneous

Never Be The Same

Never Be the Same

Christopher Cross

It was good for me

It was good for you

Now nothing either of us can say or do

Can change the way you feel tonight

Sometimes love just slips out of sight

Just one thing before you go

Just one thing that you've got to know

No one will ever touch me that way

The way that you did that very first day

Chorus:

And I'll never be the same without you here

I'll live alone and hide myself behind my tears

And I'll never be the same without your love

I'll live alone and try so hard to rise above

The years go by

There's always someone new

To try and help me forget about you

Time and again, it does me no good

Love never feels the way that it should

I loved you then, I guess I'll love you forever

And even though I know we could never stay together

I'll think of how it could have been

If we could just start all over again

Chorus

It was good for me

It was good for you

Now nothing either of us can say or do

Can change the way you feel today

Sometimes love just slips away

Just one thing before you go

Just one thing that you've got to know

No one will ever touch me that way

The way that you did that very first day

Chorus

Repeat Chorus and fade
