Lost in a moment
In the dark I hear you calling
Fallen from grace
Like the sun I will rise
Lost in a moment
In the dark I hear you calling
Fallen from grace
Like the sun I will rise
Lost in a moment
In the dark I hear you calling
Fallen from grace
Like the sun I will rise

Lost in a moment
In the dark I hear you calling
Fallen from grace
Like the sun I will rise
Lost in a moment
In the dark I hear you calling
Fallen from grace
Like the sun I will rise
Like the sun I will rise
Like the sun I will rise
