

# Christy Carlson Romano, Catch Me If You Can

I'm sitting on a wall  
Am I about to fall?  
Or will you put us back together again  
Cuz I don't wanna live inside this fairytale for any longer  
I wanna make the jump show the world I'm the one but I just need you  
To be there  
To catch me if you can  
I'm hoping that you will  
There's nothing left to hold us down  
So we'll be higher still  
You taught me how to fly  
But I don't know how to land  
Love me when I fall  
Catch me if you can  
We've been here once before  
Looks like we're back for more  
Are you afraid to make the same mistakes?  
Looking in your eyes am I seeing double  
Or am I seeing trouble  
I'm losing my disguise so you will realize that I'm just a girl  
Who is falling  
So catch me if you can  
I'm hoping that you will  
There's nothing left to hold us down  
So we'll be higher still  
You taught me how to fly  
But I don't know how to land  
Love me when I fall  
Catch me if you can  
Catch me if you can  
I'm hoping that you will  
There's nothing left to hold us down  
So we'll be higher still  
You taught me how to fly  
But I don't know how to land  
Love me when I fall  
Catch me if  
Love me when I fall  
Catch me if you can  
We can do it together  
Love me when I fall (No there's no going back now)  
Catch me if you can (no no no no whoo)  
Love me when I fall  
Catch me if you can  
Love me when I fall  
Catch me if you can  
If you can  
If you can
