

Christy Carlson Romano, Saytheword

I'm on it

I got it

I can do anything

What you need

Got your back

Just say the word I'm there

If you find your world is cavin' in

You can bet your gonna need a friend,

Someone to take those fears away

Say the word

Make a call and I'll be there

Anytime anywhere

Have you heard

That I'm all about savin' your world

All you have to do is say the word

In trouble

In it deep

This is a promise that I can keep

Make it right

Count on me

To be the best friend I can be

When your life is standin' upside down

I'll be the one to turn it around

Say the word

Make a call and I'll be there

Anytime anywhere

Have you heard

That I'm all about savin' your world

All you have to do is say the word

If you find your world is cavin' in

You can bet you're gonna need a friend

You are the fire

I will take your fear away.....

Dial the number

Call my name

Day or night

Got ya beat

Say the word

Cause I'm all about savin' your world

All ya have to do is say the word
