

# Christy Moore, Shine On You Crazy Diamond

Remember when you were young  
you shone like the sun shine  
on you crazy diamond.  
now theres a look in your eye  
like black holes in the sky  
shine on you crazy diamond  
you were caught in the crossfire of  
childhood and stardom and  
blown upon the steel breeze  
come on you target for  
faraway laughter  
come on you legend frightened by shadows at night, exposed in the light  
shine on you crazy diamond  
you wore out your welcome with random precision  
you rode upon the steel breeze  
come on you raver you seer of visions  
come on you painter you piper you prisoner and shine  
Nobody knows where you are how near or how far  
shine on you crazy diamond  
pile on many more layers I'll be joining you there  
shine on you crazy diamond  
and we'll bask in the shadow of yesterdays triumph we'll sail  
upon the steel breeze  
come on you boy child you winner and loser,  
Come on you miner of truth and delusion and shine
