Let's Limbo some more

We started dancin' at half past nine
Quarter to one we still look fine
And we're still dancin' at half past two
Now whatsya wanna do

Let's hit the floor like we did before
Let's Limbo some more

Let's Limbo like we did last month
Let's Limbo like we did last year
Well down and down and down we go

We started dancin' at half past nine
