Chuck Berry, Maybellene

Maybellene, why can't you be true Oh Maybellene, why can't you be true You've started back doin' the things you used to do

As I was motivatin' over the hill I saw Mabellene in a Coup de Ville A Cadillac arollin' on the open road Nothin' will outrun my V8 Ford The Cadillac doin' about ninety-five She's bumper to bumper, rollin' side by side Maybellene

The Cadillac pulled up ahead of the Ford The Ford got hot and wouldn't do no more It then got cloudy and started to rain I tooted my horn for a passin' lane The rainwater blowin' all under my hood I know that I was doin' my motor good Maybellene

[Solo guitar]

Maybellene

The motor cooled down the heat went down
And that's when I heard that highway sound
The Cadillac asittin' like a ton of lead
A hundred and ten half a mile aheadv The Cadillac lookin' like it's sittin' still
And I caught Mabellene at the top of the hill
Maybellene
