

# Chuck Berry, School Day

Up in the morning and off to school  
the teacher is teaching the golden rule.  
American history and practical math  
you study them hard, hoping to pass  
working your fingers right down to the bone  
the guy behind you won't leave you alone.  
Ring, ring, ring goes the bell  
the cook in the lunchroom is ready to sell  
you're lucky if you can find a seat  
you're fortunate if you have time to eat.  
Back in the classroom open your books  
keep it the teacher don't know how mean she looks.  
Soon as 3 o'clock rolls around  
you finally lay your burden down  
close up your books get out of your seat  
down the halls and in to the street  
up to the corner and round the bend  
right to the juke joint you go in.  
Drop the coin right in to the slot  
you gotta hear something that's really hot  
with the one you love you're making romance  
all day long you been wanting to dance  
feeling the music from head to toe  
round and round, and round you go, go, go....  
Drop the coin right in.....  
Hail hail hail rock n roll  
deliver me from the days of old  
long live rock n roll  
the feeling of drums loud and bold  
rock rock rock n roll  
the feeling is there body and soul
