

Chuck Berry, School Day

Up in the morning and off to school
the teacher is teaching the golden rule.
American history and practical math
you study them hard, hoping to pass
working your fingers right down to the bone
the guy behind you won't leave you alone.
Ring, ring, ring goes the bell
the cook in the lunchroom is ready to sell
you're lucky if you can find a seat
you're fortunate if you have time to eat.
Back in the classroom open your books
keep it the teacher don't know how mean she looks.
Soon as 3 o'clock rolls around
you finally lay your burden down
close up your books get out of your seat
down the halls and in to the street
up to the corner and round the bend
right to the juke joint you go in.
Drop the coin right in to the slot
you gotta hear something that's really hot
with the one you love you're making romance
all day long you been wanting to dance
feeling the music from head to toe
round and round, and round you go, go, go....
Drop the coin right in.....
Hail hail hail rock n roll
deliver me from the days of old
long live rock n roll
the feeling of drums loud and bold
rock rock rock n roll
the feeling is there body and soul
