

# Chumbawamba, All In Vain

&quot;I wish, I wish, I wish, I wish (Repeats)  
But it's all in vain&quot; (Repeats)  
Different colors, different faces  
Different schools in different places  
Scour the morning papers, all in vain  
Evening after, who remembers?  
Say your prayers for the great pretenders  
I see nothing but flowers, all in vain  
&quot;I wish, I wish, I wish, I wish (Repeats)  
But it's all in vain&quot; (Repeats)  
All the gravestone elegies  
I-never-met-you memories  
And every T.V. picture, all in vain  
All your questions, deep as skin  
Seperate worlds to put them in  
Another might-have-been, all in vain  
&quot;I wish, I wish, I wish, I wish&quot; (Repeats)  
Color blind as tse-tse flies  
Sucking all our difference dry  
And as we sleep they multiply (Repeats)  
&quot;All in vain&quot; (Repeats)  
Multiply (Repeats)
