

# Chumbawamba, Dumbing Down

Are you happy here  
In Themepark, U.S.A.?  
And do you sometimes wish  
That your life was plug and play?  
And are the words to this song  
Concise enough to follow?  
Is your smart food  
Simple enough to swallow?  
We're dumbing down  
Dumb-dee-dumb-dumb  
Dumbing down  
Dumb-dee-dumb-dumb  
Dumb-diddy-dumb-dumb-dumb-dumb (x7)  
Are we only eating words from a can  
Just because we can?  
And is Disneyworld  
All we understand?  
Will our history  
Be written out in headlines?  
And hand-me-downs, and miracles  
And land mines...  
We're dumbing down  
Dumb-dee-dumb-dumb  
Dumbing down  
Dumb-dee-dumb-dumb
