

# Chumbawamba, Outsider

Pontius Pirate came to our town  
Up to the dockyards to see the picket line  
We asked him to help but he just turned around  
He's the leader of the union now  
Leader of the union  
All of our questions he ignored  
He washed his hands and he dreams of his reward  
A seat in the House of Lords  
One by one  
The ships come sailing in  
One by one  
The ships come sailing in  
We live for words and die for words  
Principles we can afford  
When all our Brothers turn to Lords  
Whose side are you on?  
You tell the world your hands are tied  
History three times denied  
A sea of changes three miles wide  
Whose side are you on?  
One by one  
The ships come sailing in  
One by one  
The ships come sailing in  
This conspiracy of shame  
Murder by some other name  
Play up and play the game  
Whose side are you on?  
If any ask us why we died  
We tell them that our fearless leader lied  
Sold us out down the riverside  
Whose side are you on?  
One by one  
The ships come sailing in  
One by one  
The ships come sailing in
