

CHVRCHES, Get Out

talked ourselves to death
never saying what i wanted
saying what I needed
I pushed you to the edge
never knowing what I wanted
knowing what I needed you to say

reflections you used to see never look alike to mi

get out /6x
of here
can we
get out /6x
of here
good intentions never good enough
can we
get out /6x
of here

going out my mind
never getting what I wanted
Getting what I needed
I left myself I behind
Never knowing what I wanted
Knowing what I needed you to do

reflections you used to see never look alike to mi

get out /6x
of here
can we
get out /6x
of here
good intentions never good enough
can we
get out /6x
of here

so do you want to turn it around?
and o you want to show me how
you are a kaleidoscope /2x
/2x

reflections you used to see never look alike to mi

get out /6x
of here
can we
get out /6x
of here
good intentions never good enough
can we
get out /6x
of here

so do you want to turn it around?
and o you want to show me how
you are a kaleidoscope /2x
/2x

you are a kaleidoscope /2x
