

Ciara, Addicted

You know, I just can't help it.
A bad habbit I'm hooked he's got me I can't break it.

One hit, can't quit, last sip, thats it
quick fix, don't fall, withdraw,
Naw!
Can't put down the bottles, titsy got me throwed off
tryin' not to stumble
Slurrin words that mumble sayin

Baby...baby..Baby
Your poisons got me up and down, head spinnin round and round
I'm goin crazy, crazy, take me
Boy you got that love, I just cant get enough.

Thats why, I'm so addicted
I'm feelin' for ya baby
I really need it
So hit me up, you got that stuff I like
Thats so so fine
Hit me one more time
I'm an addict, gotta have it baby

Go go, slow slow, more more, pour, pour
Oh boy u got me wired
Hyper but I'm tired
Sweatin hot like fire
I cant get enough im so...

Baby...baby...Baby
Ya poisons got me up and down, head spinnin round and round
I'm goin crazy, crazy, take me
Boy you got that love, I just cant get enough

Thats why, I'm so addicted
I'm feelin' for ya baby
I really need it
So hit me up, you got that stuff I like
Thats so so fine
Hit me one more time
I'm an addict, gotta have it baby

(Missy Elliott)
Got my lights in my trunk
Let it glow, feel the bass
Let it bump, let it bump
Down here in the A
We can kick it wit my girls
We can kick it wit the boys
If you feel me make some noise
Hit It
One, two, three

(Ciara)
Now you really got to get it
Fired Up! Fired Up!
Put ya hands up to the ceilin
Higher! Higher!
If you wit me, let me see ya
Lighters! Lighters!
Cuz you really got me feelin' bad
One more hit I need it bad

I'm so addicted

I'm feelin' for ya baby
I really need it
So hit me up, you got that stuff I like
Thats so so fine
Hit me one more time
I'm an addict, gotta have it baby

I'm so addicted
I'm feelin' for ya baby
I really need it
So hit me up, you got that stuff I like
Thats so so fine
