

Ciara, Crazy

[VERSE 1:]

Its time to make a difference
(I know he's bad right now im feelin like I need him in my life)
I dont wanna leave him
(Cause he's my best friend and me without him I can't see us breaking up)
People said it wouldn't work
I'd end up getting hurt
But what do they know
Because he's my man
I dont care what people say
Cause this feels good to me
And I don't want him to leave

[CHORUS:]

Its crazy
Tell me howcome
Something I really want
Is something I love so
Is bad for me
I can't explain it
Its just like a bad habit
I can't shake it
So crazy crazy crazy
I can't believe it
How I need him
He makes a difference
Y'all i'm trippin
Its crazy
Dont know which way to go
Can't let him go
Even though
I know
He ain't the one for me

[VERSE 2:]

Stay in some drama
Cant take him home to momma
Ima be honest

Flirts with every girl that he meets
How he do that to me
How he make it not better
