The way you dress  
The way you smell  
Its so intoxicating  
I can't help myself  
Theres no one else  
That makes me feel  
The way you make me feel

Gimme your lovin  
Gimme your lovin all your time  
Cuz i wanna give you  
I'm gonna give you all of mine  
Whenever your ready

Just to let you know  
This is what i want

I wanna be known as your girl  
I wanna kick it wit you like your best friend  
So let a girl come in your world  
I wanna be your lady

And its all about the way  
That you talk  
Everytime you say my name

Speechless  
Let the music stop
