

Ciara, Thinkin Bout You

I've been thinking about you
wondering' who's stuck
in your head at night
wonder if I ever cross your mind
keeping you up in your bed at night
I've been thinking about you

I can't get you off the brain
lovin' you is something strange
don't get me wrong
I ain't complain
I've been thinking about you
I am wondering if you love's a game
just kissin' girls and takin' names
is it love or entertainment?

I've been thinking about you
wondering' who's stuck
in your head at night
wonder if I ever cross your mind
keeping you up in your bed at night
I've been thinking about you
I try to fight it but it's hard to fight
I've been thinking about you
I've been thinking about you
I've been thinking about you

you're a habit, hard to break
you're more than a heart can take
there's no exit, no escapin'
I've been thinking about you
maybe you're my destination
maybe you're my destination
or maybe just a fantasy
maybe just a fantasy
maybe it's just my imagination

boy, I've been thinking about you
wondering' who's stuck
in your head at night
wonder if I ever cross your mind
keeping you up in your bed at night
I've been thinking about you
I try to fight it but it's hard to fight
I've been thinking about you
I've been thinking about you
I've been thinking about you

early in the mornin'
think about you all day
late night and the evenin'
I can't get you off of my brain
early in the mornin'
think about you all day
late night and the evenin'
I can't get you off of my brain
