

# Cibelle, Flying High

I need to tell someone  
How I am feeling  
Moving my silence down  
I don't feel ?no middle end?  
Not a bit, just standing still  
It's just this feeling course

This life  
This life  
This life I am feeling  
This life  
This life  
This life I am feeling

So many good times

Seems like I'm falling  
With this strangest feeling inside

This life  
This life  
This life I am feeling  
This life  
This life  
This life I am feeling

There's so much beauty in the simple things  
There's so much light we ???  
I feel like I'm flying  
I am flying in my dreams  
I'm flying  
Good times, good times  
I'm flying

So many good times  
I'm flying  
So many good times  
I feel like I'm flying  
I'm flying
