## Cinderella Effect, Black No. 1

Black No.1 (Type O Negative. Lyrics by Peter Steele)

She's in love with herself She likes the dark And on her milk white neck The Devil's mark

Now it's all Hallows Eve The moon is full Will she trick or treat? I bet she will

She's got a date at midnight With Nosferatu Oh baby, Lilly Munster Ain't got nothing on you

Now when I called her evil She just laughed and cast that spell on me Boo bitchcraft!

You wanna go out 'cause it's raining and blowing You can't go out 'cause your roots are showing

Dye 'em black Dye 'em black

Black, black, black, black No. 1 Black, black, black, black No. 1

Loving you Loving you La-La-Loving you Was like loving the dead

Loving you was like loving the dead Loving you was like loving the dead Loving you was like loving the dead Was like loving the dead Was like loving the dead Was like loving the dead

Little wolf skin boots And clover cigarettes An erotic funeral For which she's dressed Her perfume smells like Burning leaves Everyday is Halloween
